Esophagectomy: What to Expect in the Hospital

**Tuesday, October 13th, 2015
6:00-7:30pm**

Join an interactive discussion on the expected hospital experience for people undergoing esophagectomy. In this talk you will learn about events on the day of surgery, immediately after surgery, and the remainder of the hospital course. Question and answer session will follow.

**Registration Deadline: October 9th
Call 412-224-4700 to register**

Esophageal Support Group

Featured Speaker:

***Rajeev Dhupar, MD
Assistant Professor of
Cardiothoracic Surgery
UPMC***

The Western Pennsylvania Esophageal Support Group

An organization that promotes education and peer-to-peer support for patients and caregivers dealing with the experiences surrounding esophageal surgery. We welcome those who have had prior experience with esophageal surgery, or who will be having esophageal surgery. A short educational talk will be followed by a question and answer session for the invited experts. Topics will vary monthly. Peer support and networking is encouraged.

There is no charge for this series.
